FYE: What We've Been Up To

- Front lines of registering new students year round
- Traveled to many academies within Southern Union to help students register and navigate university sites well before arrival to campus
- Extended office hours through the summer (9am-9pm) to aide West Coast students
- Provided multiple parent/ guardian informational nights during the summer
- Hosted two Main Events (July 24 & Aug. 13) to better help students adjust
- Connected over 700 freshman with their peer student mentor
- Employed over 60 students (student advisors, FYE assistants, peer mentors, and desk workers)
