

Shelter Resident Letter of Intent

Resident Name: J.L.

Date: 4/11/24

Case Manager: Elizabeth H.

Amount of Time Requested: 30 days

During my stay in the shelter program, I feel that I have made progress because

I have gotten a job and have been working on my mental health through therapy.

My service plan goals include

Continuing therapy, finding affordable housing, and getting set up with food stamps.

and I believe more time in the shelter program will help me accomplish my goals.

If I am approved for extended time in the shelter program, some ways I will continue working on accomplishing my goals are

Attending case management meetings weekly, attending therapy weekly, and getting set up with food stamps in the next week.

Are there any barriers that you feel are keeping you from accomplishing your goals?

- No
- Yes- please explain:

I just need more time.

Has your case manager had to address any concerns with you during the last 30 days regarding your stay in the shelter?

- No
- Yes- please explain:

Issues with me leaving the kitchen messy.

Is there anything else you would like us to know while reviewing your request?

N/A
