Hello,

I hope you are well! Emily came to me requesting permission to be let into A&P II, she has already been accepted into A&P I and has high grades. She is taking her ACT on March 5<sup>th</sup> and was told she cannot enter the class without her score. Renita Moore told me that she is allowed to be accepted to register for this class. Please let me know if you have any further questions, and have a great day!

Sincerely,

*Angelina Jones*
