Volunteer Experience Post Survey

I understood what my role as a volunteer will be.

8 Responses

I felt confident that I can do this volunteer role well.

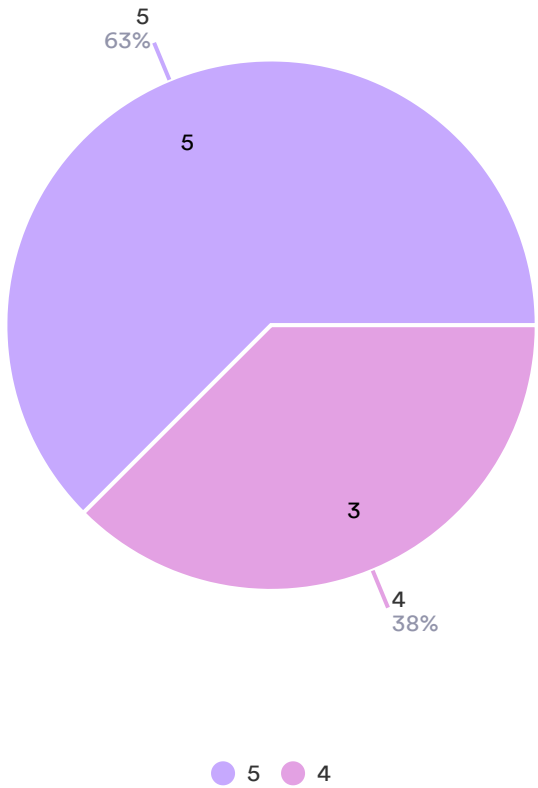

8 Responses

Volunteer Experience Post Survey

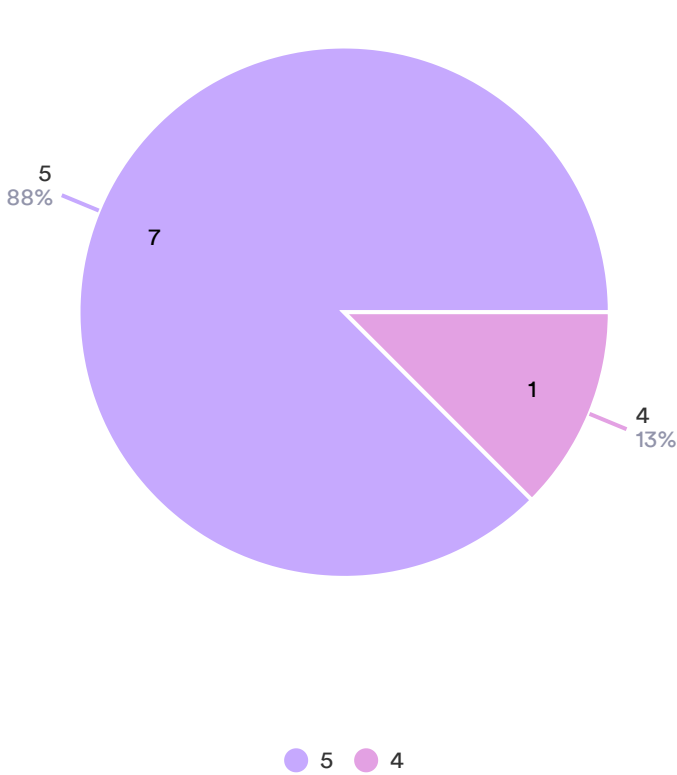

I felt prepared to handle challenges that might come up.

8 Responses

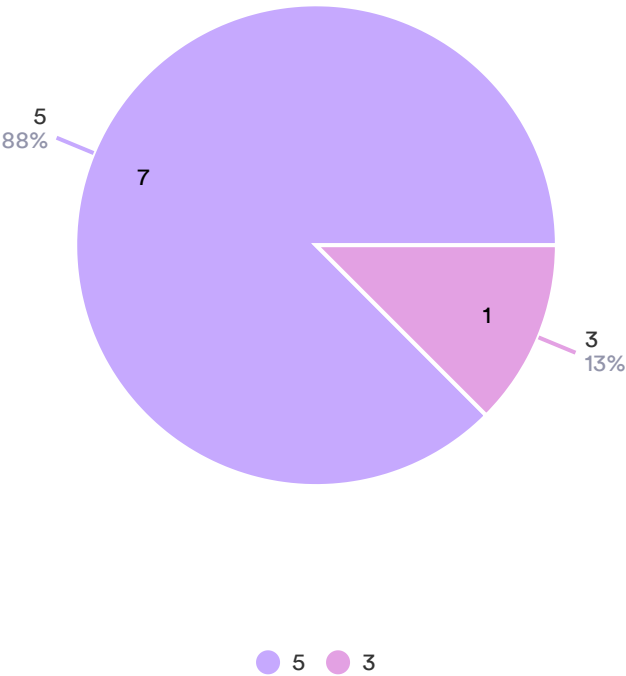

I had the support and resources I needed.

8 Responses

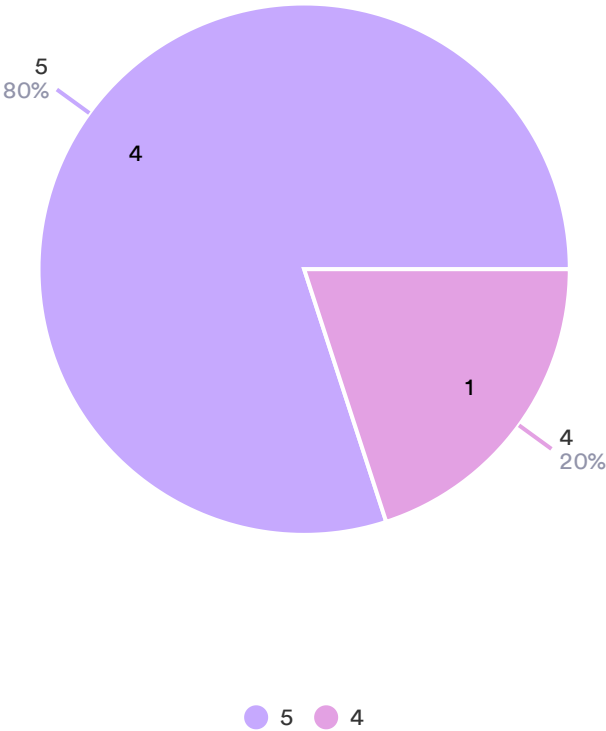

Volunteer Experience Post Survey

I felt comfortable being part of a volunteer experience that may involved working with or supporting people of different ages, cultures, identities, abilities, or life experiences.

I believe my work will make a positive impact.
