

## Collateral Questions for foster care

### School

- How is the child doing in school -
- Any behavioral problems -
- Any attendance issues -
- What are some milestone that child has reached -
- Do you have any concerns for the child or parent?

### Medical

- Last time the child was seen in the office.
- Last well check and shots
- Any concerns for the child
- Get copy of last physical.

### Other

- How often do you see the child, or family
- Have you observed interactions between the child and caregiver?
- How is the child doing
- What does the Caregiver do to meet the child's needs?
- Any concerns for the child or caregiver.
- How do they discipline the child.
