

Organizational Description and Goals

The mission at M.B.S Healing also known as Mind, body, and Soul is to empower, equip, and rehabilitate individuals who have experienced homelessness in Hamilton County. As a non-profit organization of professionals and dedicated volunteers, this company is devoted to providing transitional housing, holistic medicine, and vocational training to bridge the gap of services in the community. The vision statement at M.B.S. Healing is to ensure that the clients feel support and love while under the care of the organization. It is M.B.S. Healing's passion to have a safe place for them to feel a sense of belonging and helping hands to assist them in re-establishing their lives.

The purpose of this organization is to empower, equip, and rehabilitate individuals who have experienced homelessness in Hamilton County. The organization will provide a holistic approach to healing the mind and body for those without insurance. The program will empower clients by offering counseling services and stable housing to improve their mental health. More specifically, the transitional housing program seeks to close a gap within homeless individuals in the community. Holistic medicine will be utilized by providing clients with a physical therapist, dietician, and yoga instructor. The vocational training will aim to give homeless individuals in the community the equipment they need with skills and knowledge that will enable them to secure and maintain employment.
