**EVERYTHING BUT THE VINE**

- Like useful fidget spinners for adults, rolling wine glasses will not only keep him occupied during dull dinner conversations, they'll also oxygenate his wine between sips.
- The hilariously illustrated Essential Scratch and Sniff Guide to Becoming a Wine Expert will have his nose buried in the pages of the book for the first time since high school.
- Two toppers top it off: With stainless steel Rabbit gadgets, he'll instantly aerate wine straight from the bottle and vacuum-preserve the surplus for up to two weeks.
