To Whom It May Concern,

Claire Ashcraft has been my Teacher's Assistant for the past 12 months at Southern Adventist University in the School of Religion. She is an excellent worker! She is dependable, trustworthy, and conscientious, with a great work ethic. She is always at work when she says she is going to be there and is careful to let me know if there's a change in her work schedule. She is also smart and catches on to tasks very quickly. She completes her work in a timely manner with accuracy and efficiency. Claire also exercises great people skills, communication skills, and leadership skills. She has great empathy for the students and works for their success. Claire is a "keeper" and is going to go places in life.
