

Notes Field:

o Goal/Objective: MSW Intern met with CLT at CLT's school to work on identified goal.

Progress: None Identified

Life Events: None Identified

Intervention/Response: MSW Intern reminded the CLT of their previous session and discussion of OCD. MSW Intern administered the Yale-Brown Obsessive Compulsory Scale for Children to CLT. CLT ranked at 26. The scale determine that this means the CLT has severe OCD.

Barriers/Obstacles: None Identified

Plan/HW: In the next session, MSW Intern will tell CLT about her OCD scale results and her updated diagnosis.
