

ECO-MAP

NAME: Daniel
 DATE: 10/23

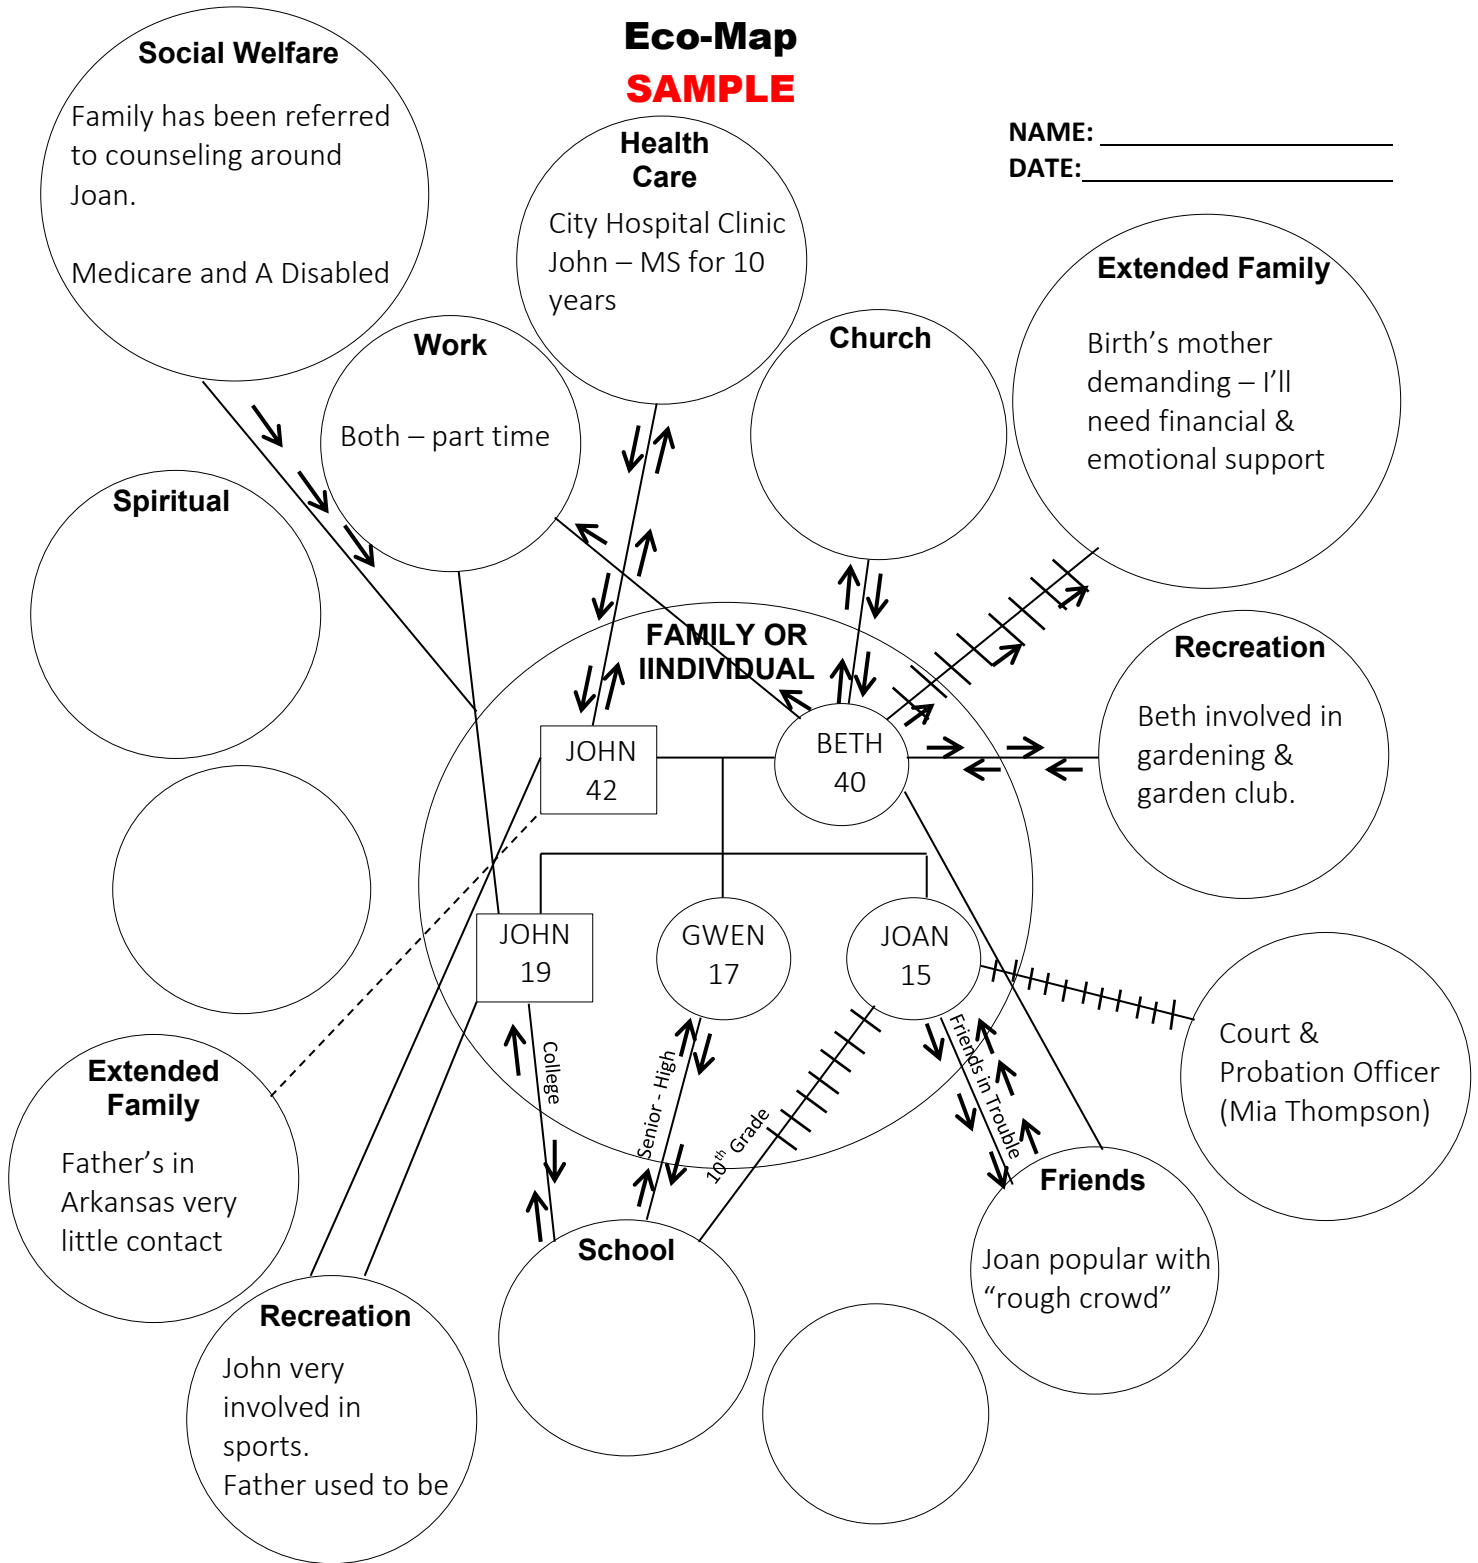

Understanding the Ecomap: An ecomap is a structural diagram of a client's most important relationships with people, groups, and organizations; and identifies resources available in clients' community. Social workers use this tool to show the connection of resources that seem likely to affect a client's efforts to achieve personal goals.

Instructions: Fill in connections where they exist.
 Indicate nature of connections with a descriptive word or by drawing different kinds of line;
 _____ for strong; - - - - - for weak, / / / / / / / / / / for stressful.
 Draw areas along lines to signify flow of energy, resources, etc. → → → → → → → → → →
 Identify significant people and fill in empty circles as needed.

Eco-Map SAMPLE

NAME: _____
DATE: _____

Understanding the Ecomap: An ecomap is a structural diagram of a client's most important relationships with people, groups, and organizations; and identifies resources available in clients' community. Social workers use this tool to show the coalition of resources that seem likely to affect a client's efforts to achieve personal goals.

Instructions: Fill in connections where they exist.
Indicate nature of connections with a descriptive word or by drawing different kinds of line;
_____ for strong; ----- for weak, /////////////// for stressful.
Draw areas along lines to signify flow of energy, resources, etc. → → → → → → → → → →
Identify significant people and fill in empty circles as needed.
