ID #

Date: 2/5/2025

FYE Advisor: Dani Howell

Referral:

- Referral sent in by _____ for BIOL 101 for academic concern.
_____ states "Current course grade 23.54%. Missed 2/2 quizzes, 1/2 labs.
Student expresses poor academic performance is related to social/emotional stressors as well; I have encouraged consultation with counseling services."

Notes:

- (2/5) I sent her a text message to let her know we are here to support her and she should schedule an appointment so we can help her come up with a plan.
- (2/12) Responded saying we could meet but rescheduled because she was sick.
- (2/14) I spoke with _____ and she was telling me that she's not doing mentally and that because of that it's making it hard for her to focus. It's not that the work is hard, she said she just doesn't have motivation. She said she was going to go tutoring and counseling. She also mentions that nursing isn't what she really wants to do but doesn't know what else to pick. I told her with our career services
- (2/26) I reached out and she's going to come in tomorrow so we can come up with a plan. She wants me to look over her classes and she might be changing her major.

Action Items:

- ~~2/20~~ email her and see how she's doing
