

CSI Focus Groups

Pornography/PDA Questions:

1. In an effort to better understand student perspectives on Southern's current sexual conduct policies, please tell me about your understanding of these policies.
2. Describe how Southern students feel about these policies.
3. Explain whether Southern's PDA policy should make a distinction between students who identify as homosexual versus heterosexual?
4. How do you think Southern should respond when an unmarried student becomes pregnant?
5. Describe your understanding of what the Bible says about pornography.
6. Describe your understanding of what the Bible says about pre-marital sex.
7. In what ways do you think Southern's current sexual conduct policies are in line with the Bible as it relates to sexual purity and identity (e.g. pornography, pre-marital sex, homosexuality, etc.)?
8. From your experience, what has Southern done to address sexual purity and identity on campus? And do you feel it has led to change?
9. Describe what you feel would be the most helpful thing that Southern could do in the areas of sexual purity and sexual identity.
10. What, if any, suggestions do you have for making Southern's sexual conduct and PDA policies stronger?
11. What else should I have asked during this discussion?
