

Good afternoon,

I hope you are having a wonderful week. I have exciting news! I evaluated the survey data we gathered from our clients' Life Skills Surveys, and it shows a 7.09% increase in overall scores for our clients. As we only recently instituted the survey, I am very encouraged by the results. The clients who responded scored the highest in their knowledge of frugal grocery shopping and lowest in their knowledge of laundry and doing their taxes. Given these results, we have a representative from RCYC providing a laundry class this week and have created a connection with Consumer Credit Counseling for tax services.

Thank you all for encouraging your clients to take the survey,

Hannah Borstad, *Youth Well-Being Coach*
