

Adventist Muslim Friendship Fellowship Association (AMFA)

To whom it may concern,

Kilah Runnels completed the AMFA orientation via Zoom on September 29, 2021. This AMFA (Adventist Muslim Friendship Association) orientation was a prerequisite for participants to attend the Peace Camp. It is intended to teach students cultural norms within Muslim communities so that they create an environment that is respectful and welcoming for all attendees. Kilah Runnels also attended the Peace Camp on October 1, 2021, located at Collegedale Elementary School campus. This camp is designed to allow the community to meet one another, join together for a meal, and enjoy friendship and community engagement with people from all races, cultures, or religions.

Sincerely,

Melissa Giebel

Assistant Local Coordinator

Adventist Muslim Friendship Association
