To Whom It May Concern:

Karissa Goodman has been a student here at Southern Adventist University School of Social Work for the past three years. As her advisor and professor, she has been a pleasure to work with, bringing her attention to detail to every assignment. As the president of our Social Work club I have noticed her communication, people and leadership skills are excellent. She also contributes thoughtful and constructive dialog in the classroom. I highly recommend her for the opportunity that you have available.

If you have any further questions with regard to her background or qualifications, please do not hesitate to contact me.

Respectfully,

Evie Nogales Baker, LCSW
