

Board Meeting Notes + Observations:

3/11

- Keep your mind + eyes open for housing 
 - cold letter campaign
 - no cap on \$\$\$ for land 
 - valuable land is more important
 - our biggest concern with distance is our volunteers
 - need grocery store, gas station, off-highway access
- Housing First
 - get into housing, we case manage for 12 months
 - ↳ can we get the hospice to sign the MOU?
- Write down w/ details the housing vouchers and what they do/required.
 - opportunity and obligation
- Create avenues and a plan for when individuals start to get better and need to move out.
 - would this be housing vouchers?
- Upon admission, let resident know at 6 months or a year if you are still living here and aren't declining, we will start looking at other ~~residences~~ housing.
