Demonstrates Appropriate Professional Boundaries Excelling	Adheres to the NASW Code of Ethics Excelling	Follows Agency Policies Meets Expectations
Responds to Constructive Feedback Excelling	Manages Time and Meets Deadlines Excelling	Demonstrates Appropriate Professional Boundaries Excelling

Comments, Concerns or Recommendations:

Karissa is doing a great job in her practicum placement. There were no concerns and lots of praise for her willingness to learn and her growth in skills as well as openness to feedback. Karissa has begun autonomous practice under supervision by her field instructor. She has cases that are assigned to her as her own.
