Hi all!

I just followed up with a request from [REDACTED] for everyone's contact information. She enjoyed meeting all of us and hearing about the program. A few things we need to do:

- We need to schedule our next meeting. Before lunch on Friday, Jan. 3 and Wed. Jan. 8 look good for me. Let me know what you think! We need to begin work on the summer camp budget!
- Before we meet, it might be good for [REDACTED] to meet to discuss the writing of the play and ideas for tying all the stories together. \
- I would love a copy of SENSE theater manual to read over the holiday break! [REDACTED] let me know how I can get that from you!
- I wanted to get [REDACTED] offers noted and need you to help me remember all of her suggestions!

[REDACTED] offered to print all materials, reach out to clients for in-kind donations, allow us to post information CAC and ETC in waiting/meeting room to raise awareness about programs, invite all clients to the shows and purchase 15 tickets for HR directors from local companies. Her buyout is finalized 1/31 and she may be able to make a donation after. What am I missing??

[REDACTED] I think I have this going to your work email. Please send me your address if I have it wrong on this email!

Thanks all!
