Introduction and Purpose

Hello, my name is Laura Gibbs, and I am studying Social Work at Southern Adventist University. This study is for my portfolio class. I am inviting you to participate in this study that explores the attitudes of student missionaries about trauma.

Study Content

If you decide to participate, you will complete an online questionnaire (via Google Forms) that will take about 2 minutes to finish.

Participation

Participating in this study is voluntary. You can choose to stop at any time and can choose to not answer any particular question.

Risks

Any risk to participating in this study is very low. If you find that answering questions that you are asked brings up any additional questions that you want to explore, you can contact the Counseling Center at (423) 236-2782.

Confidentiality and Use of the Results

All personal identifying information will be kept entirely confidential. All data will be kept in password protected files. The survey dataset will be de-identified and only be reviewed by the researcher and professors. The research results will be presented to my advisors and professors. One exception to confidentiality is if you reveal that you or others are at risk of harm, I am required by law to make a report of these actual/potential harms.

Contact Information

Thank you for considering to be a part of this research. If you have questions or concerns, you may contact Laura Gibbs (828-702-985, gibbs@southern.edu).
