Good Afternoon Angie,

My name is Laura Gibbs and I am the family intervention specialist working with Georgiana from Youth Villages. Yesterday I met with Anna Burns, Kristen Cocks, and Janelle Walters regarding Georgiana's upcoming IEP meeting. After talking with them, it was clear that I needed to meet with you to understand her current behaviors in school better. It sounds like you are incredibly busy. When is a time that works for you so we can meet before the IEP meeting?

All the best,

Laura Gibbs, BSW
