Good Afternoon Ms. Canale,

My name is Laura Gibbs and I have been working with Deliah Vaughn and her caregiver Tonya Jones with Youth Villages. This week we had a meeting with Mrs. Turner and were informed about the quarter boost program.

I have copied Tonya Jones on this email and if you could call her at [423-633-4234](tel:423-633-4234) to discuss how often the youth needs to be in the program that would be wonderful.

Tonya Jones is looking to move to the third shift so she can take Deliah to ingenuity more regularly, but it will take about a month for that transition to happen.

All the best,

Laura Gibbs, BSW
