Wednesday December 4th 2019

- David Foster Wallace quote
- Kevin Hines
- high rates of attempts among hispanic
- girls attempt more, men are more successful (more lethal means)
- typical class, 3.130 have attempted
- suicide has become a primary solution

GA: 3rd leading cause 10-24

STRONG link w/ suicide & depression

- 60% kids w/ major dep. don't receive treatment
- ⇒ kids need to be taught coping skills
- 31.9% kids have anxiety disorders

signs: decrease in academic problems

- you need to ask - it's a myth that asking causes individuals to "think about it"
- o youth are generally NOT self-aware
