

**Agency:** The Lantern at Morning Pointe

**Grant One:**

**Name:** Alzheimer's Disease Initiative - Specialized Supportive Services (ADI-SSS) Project  
Financed Solely by 2017 Prevention and Public Health Funds (PPHF 2017)

**Description:** The purpose of the ADI-SSS program is to provide grants to public and private entities that are working within existing, dementia-capable, long term services and supports systems and are committed to serving populations with the most need and living with or at risk of developing Alzheimer's disease or a related dementia and their caregivers. Successful applicants will propose services designed to address the needs of three out of four identified service gaps identified in the Funding Opportunity Announcement. The grantees benefit from targeted technical assistance provided by the National Alzheimer's and Dementia Resource Center which is funded through a contract awarded under the Alzheimer's Disease Supportive Services Program (ADSSP).

**Grant Two:**

**Name:** Empowering Older Adults and Adults with Disabilities through Chronic Disease Self-Management Education Programs Financed Solely by 2017 Prevention and Public Health Funds (PPHF-2017)

**Description:** The Administration on Aging (AoA) within the Administration for Community Living (ACL), U.S. Department of Health and Human Services (HHS) forecasts the possible availability of Fiscal Year (FY) 2017 funds to make three-year grants to approximately 6-8 entities to bring to scale and sustain evidence-based programs that empower older adults and adults with disabilities to better manage their chronic conditions. Goal 1: Significantly increase the number of older adults and adults with disabilities who participate in evidence-based self-management programs to empower them to better manage their chronic conditions; and Goal 2: Implement innovative funding arrangements (e.g. contracts with integrated health care systems) to support the CDSME programs beyond the grant period, while embedding the programs into an integrated, sustainable evidence-based prevention program network.
