

## SMART Goals for Recommendations Based on Survey Results

- Brainstorm options for online appointment scheduling with Associate Director of Student Life, the Assistant Director for Career and Professional Development, and the Assistant Director of Counseling by July 1, 2019.
- Begin test-run for online scheduler by July 15, 2019.
- By June 15, 2019, create a list of items that students can use as a guide to help them determine what to bring to their initial appointment.
- By December 10, 2019 send out a follow up survey to students to determine if they found the online scheduler and initial appointment guide useful.
